# Best Medicine Program

Fitness programs for individuals transmitting from or managing a medical condition or needing additional support to improve their level of physical activity.

**BEST  
MEDICINE  
PROGRAM**  
AVAILABLE ONLY AT

## Physician Referred Membership

\$100 discount on Enrollment Fee- Enter membership with a referral from a physician and receive discounted enrollment. Program includes a personalized assessment and access to the Best Medicine Program.

**Arthritis Fitness (Aquatic)** | *Joint Venture* – Mitigates the pain and limitations of daily movements, along with improving balance and overall strength through warm-water therapeutic programming.

**Cardiac Rehab Maintenance Phase IV** | *Heart Healthy* – Transitions cardiac patients that have finished Phase II Cardiac Rehab and are released by their physician into their maintenance phase. Participants' vitals are monitored and recorded each class to track progress.

**Arthritis Fitness** | *Walk With Ease* – An exercise program by The Arthritis Foundation that can reduce pain & improve overall health. If you can be on your feet for 10 minutes without increased pain, you can have success with Walk With Ease.

**Parkinson's Fitness** | *CLIMB* – Improves quality of life for those living with Parkinson's through movement, stretching, focus on balance and posture along with creating camaraderie between participants and care-givers alike.

**Neurological Aquatic Fitness** | *NeuroH2O* – Exercise in a warm-water aquatic environment offers those with neurological conditions essential properties to maintain overall cognition, balance, endurance and flexibility.

**Cancer Fitness** | *Restorative Fitness* – Improves muscle function, fatigue, cardio endurance during and after going through treatments; in a setting where patients feel safe and have the ability to connect with other oncology patients/survivors.

**Weight Management** | *MOVE* –Focus on setting realistic goals and developing new physical activity habits while pursuing a healthy weight. MOVE helps tackle co-morbidities which encompass high blood pressure, high cholesterol, elevated glucose levels and BMI that exceed 30.

**Down Syndrome Fitness** | *Uplift* – Improves overall health, especially cardiovascular and strength for individuals with Down Syndrome. Designed as a circuit-style workout, includes focus on balance, motor functions, coordination.  
*\*Granger location only*

All BHF programs are approved by our **Medical Advisory Board** to ensure safe and effective programming.
