Class Descriptions

Barre Strength | A fusion of barre & strength, this workout incorporates small and large muscle group training with a focus on proper alignment. This dynamic class welcomes all fitness levels and promises to leave you feeling lengthened and strengthened as we move with intention, using a wide array of tools including resistance bands, weights, Bosu, Pilates ball & yoga ball.

BODYPUMP™ | THE ORIGINAL BARBELL CLASS™, the ideal workout for anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. It will burn up to 540 calories. Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music.

Cardio Drumming | High-intensity drumming which uses hand eye coordination and fun movements for the whole body. This class uses a stability ball, drum sticks and fun music to get your heart pumping.

Circuit Strength | Come fire up your day with this class designed to provide a mix of aerobic, strength training, and conditioning elements utilizing different equipment and movements in every class. Variety is key

Core | Enjoy a quick class focused on strengthening the abdominals, glutes, lower back, hips and shoulders to encourage better posture & improve your functional fitness.

H2O Fit | This is a low-impact water class designed to provide strength conditioning, improved flexibility, and improved balance. The class will utilize different equipment for a fun challenge. It is a total body workout without the stress of land-based exercise. Perfect any fitness level.

HIIT | HIIT is a full-body strength interval class. Class can be upper or lower body with a circuit utilizing weights, bands, mats, etc. This fun & energetic class will not only keep you moving but also teach you the fundamentals & importance of proper weight training/lifting.

Joy of Movement | Enjoyable movements to music — learn easy line dances with gentle movements & lots of fun! A great workout for all fitness levels.

Pilates | Based on the teachings of Joseph Pilates, learn the mat exercises to develop better posture and improve torso strength.

Silver Strength | A gentle approach towards building and maintaining strength and increasing range of motion and

functionality — translating to a higher quality of life and increased levels of activity within the participating population. It is open to all and is an ideal exercise solution for participants with mobility limitations

Stretch & Balance | Challenge your balance with a variety of exercises designed to improve your stability using unilateral & bilateral moves. You'll transition into gentle stretches for better mobility, flexibility & ease of movement from head to toe. Leave class feeling relaxed & refreshed.

Stretch & Tone | This dynamic fitness class combines stretching exercises with targeted muscle toning for a comprehensive workout. Improve your flexibility, enhance muscle tone, and boost overall body strength in this invigorating class. Suitable for all fitness levels, Stretch & Tone offers a balanced and effective workout to help you achieve your fitness goals.

Tai Chi | Tai chi is an ancient Chinese tradition that involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. This class will cover the basic concepts of Tai Chi. Posture, relaxed deep breathing, flowing movement and a basic understanding of mind-body connection will be discussed. This class is appropriate for all levels.

WATERinMOTION® | The newest aqua exercise workout that provides a low impact, high-energy challenge for participants of all ages, skill and fitness levels. This cardiovascular workout tones and tapers the entire body.

WATERinMOTION® Strength | Take advantage of the aqua environment to build muscular endurance, power and overall tone in a workout using aqua dumbbells. Build lean muscle through the creative use of drag, resistance, and buoyancy. Water minimizes the strain on the joints & ligaments to prevent overuse & enhance recovery time while improving flexibility & power

Xcelerate | Our instructors will take you on a ride to the rhythm of music. Saddle up and prepare for a blast of speed in every track.

Yin Yoga | A deep, meditative, passive, and grounding practice. Through the use of passive holds, the yin style involves surrendering into poses and exploring them for longer periods of time in order to let go of tensions stored in the body to calm the nervous system.

Yoga | Based on the Hatha style of yoga. Practice at your own pace & feel good in your body!
