Class Descriptions

We offer a wide variety of swim lessons for children & adults of all ages & abilities! Come learn to swim or improve your technique at the region's premier indoor swim facility. We offer a variety of swim lesson opportunities at different times of the day to best serve our diverse swimmers' needs!

Ages 6 months - 3 years: Warm water classes for parents & toddlers that focus on improving basic water safety & skills.

Parent & Child Level 1: Covers familiarity in the pool, getting more comfortable with their face in the water, learning safety skills, and blowing bubbles using songs and games

Parent & Child Level 2: Works on getting more confident in the pool, reaching for toys underwater, climbing out on their own, jumping and gliding to an adult, and arm and leg actions.

Ages 3-6 years: Focus is on the progression of water safety and skills for your early swimmer

Preschool Level 1: For your swim lesson beginner. They'll work on floating and gliding with support, breath control & blowing bubbles, retrieving objects underwater, and begin to explore deeper water.

Preschool Level 2: For those children who are starting to gain more independence in the water. They'll work on recovering from back glides, rolling over floats, opening their eyes underwater, and start to learn elementary swimming strokes.

Preschool Level 3: For your confident child. They'll work on breath holding, elementary swim strokes, floating without assistance, recovering from floats independently, changing direction while swimming on back, and treading water with arms and legs.

Ages 6 - 13 years: Focus is on the progression of water safety and skills for your early swimmer.

Learn to Swim Level 1: For children who've never had swimming lessons before. They'll work on blowing bubbles, gliding & recovering to standing, rolling over floats, elementary swim strokes, and building comfort in the water.

Learn to Swim Level 2: For children with some swimming experience. They'll work on breath control, retrieving objects underwater, various floats & recovering independently, elementary swim strokes, pushing off into swim strokes and safety around deep water.

Learn to Swim Level 3: For children who are ready to start working towards competitive swimming. They'll work on learning new kicks and swim strokes, rotary breathing, headfirst entries, and deep-water skills.

Learn to Swim Level 4: For children who are ready to learn proper competitive strokes. They'll work on headfirst entries, surface dives, streamline into strokes, underwater swimming, and treading water using different kicks.

Learn to Swim Level 5: For children who are almost ready to start competing! They'll work on shallow-angle dives, surface dives, flip-turns, and competitive swim strokes.

Ages 14 & up: Introducing & developing basic water skills.

Adult Level 1: For adults with little to some swimming experience. Focus on breath control, building comfort in and around the water, various floats & recovering independently, elementary swim strokes, pushing off into swim strokes and safety around deep water.

Adult Level 2: For adults who are ready to focus on competitive swimming strokes. Working on learning propulsive kicks and swim strokes, rotary breathing, confidence in deep water, and treading.

Primary Class Locations
