Class Descriptions

Foundations of Pilates Reformer: A prerequisite class for Reformer classes to ensure proper alignment, breath control, and equipment management. Expect a slower paced, supportive environment that focuses on core strength, flexibility, and overall body awareness. Leave with a better understanding of the pilates principles, and a more confident outlook for progression.

Pilates Reformer: This class offers a balanced, full-body workout using the Pilates Reformer machine, as well as various pilates props. Appropriate for those with pilates experience who would like to refine their form, build strength, and improve flexibility.

Intermediate Pilates Reformer: Designed for the long standing pilates practitioners who are ready to challenge themselves. The class focus will be on flow and precision while executing intermediate exercises. A strong understanding of pilates is required.

Intermediate Pilates Athletic Chair/Barre: Prior Pilates Experience is required. The Pilates Chair Machine is mixed with various props, including a ballet barre series to get your heartrate up. Expect a dynamic and intense workout, blending the Pilates principles, with the foundations of Barre.
